SALES OPERATIONS MANAGER

£ Attractive + benefits

Our client is part of a truly worldwide business with a global brand and reputation for supplying high quality FMCG products into a demanding retail environment.

A newly created opportunity, and as part of the senior management team, you will enjoy full responsibility for managing and developing SAP sales order processing and management procedures across the operation. You will adopt a pro-active approach to identifying all opportunities for improving logistical performance and will implement effective systems to better manage processes.

Leading and motivating a customer services team, you will also play a pivotal role in developing strong working relationships with internal teams, European colleagues and external customers.

Educated to degree level and possessing strong analytical and commercial skills, you will be an advanced spreadsheet user and will have knowledge of SAP and EDI systems. You must be able to demonstrate a sound track record of achievement within customer services/sales operations management, where the ability to respond rapidly to customer demands is the norm.

In return you will be offered an exciting and challenging position within an environment that will stretch your talents to the full.

Please send your detailed cv quoting reference number 09/1670 by 16 July, 2009 to our retained consultant David Smalley at Daniels Smalley Partnership, Windsor House, 107 Talbot Road, Talbot Green, CF72 8AE or email david@danielssmalley.co.uk Tel: 01443 229 761.
